ADMISSION

Technology Park Malaysia Corporation Sdn Bhd (TPM) in collaboration with MSC Malaysia is organizing a series of **Technopreneur & Innovation Open Day** for the year 2010. Technopreneurs and incubatees who are looking for coaching & counseling supports to start or grow their businesses will have the opportunity to seek assistances from the experts of the following area:

- Business Planning;
- Business Opportunities;
- Market linkage; and
- Intellectual Property Right(IPR).

In addition, Technopreneurs & incubatees could also be assisted by relevant Government & Private Financiers in addressing their financial requirements and how to enhance chances of securing the funds. This is a networking platform which serves as **'one-to-one'** advisory session for technopreneurs & incubatees to understand relevant Financial Products & Services, Market Opportunities, Legal & IP Rights and seeks clarifications on challenges & issues pertaining to their business.

There will be also a knowledge & experience sharing session with successful business owners and experts from various fields.
